

Dear Mum,

Thank you for being so hardworking, kind, patient, polite and helpful.

You look after me, you wake me up in the morning, make breakfast for me, take me to school and take me home after school. You do all the housework, you sweep the floor, wipe the window and tidy the sitting room. You also tidy my bedroom too.

You prepare meals for the family. You go shopping in the market and supermarket in the morning. You prepare breakfast, lunch and dinner. We love you cooking.

Thank you once again, you are the best mum in the world.

Yours sincerely,
Josiah (3C Chau King Chun)
