Panda

Panda is not a cat, panda is very fat.
It never sings, but likes to swing.
Panda never barks, it is quiet in a park.
It is May, panda wants to play.
It puts the rose, on their little nose.
Panda doesn’t like sweet,
It likes to play their feet.
It doesn’t like jam and doesn’t like ham.
When panda eats good food,
It will be in a good mood.
Panda sleep on the bed,
The bed sometimes is red.
Panda looks at the moon,
And says “see you soon”.
