JONATHAN CHAN SZE-HO

Aged 11, St Joseph's Anglo-Chinese Primary School

The Sleepy Pet

So lazy, he never walks.

When he is angry, he never talks.

He's always sleeping in his bed.

I don't even know if he is dead!

When he eats, he feels sleepy.

When he sleeps, he sleeps deeply.

At the vet, he's always sleeping.

Thermometer checking a fever? Always beeping.

Can you guess the animal?

The sleepy animal is a sloth.
