

**Cycling into the Woods**

**5C Au-Yeung Pak Hei**

**I believed it was peaceful in the woods.**

**I enjoyed jogging there with my favourite boots.**

**Last time was special,**

**Because I cycled,**

**But something weird happened**

**And I was frightened.**

**Here came a huge tornado,**

**And I cycled fast like a pro.**

**My friend suddenly slapped me on the face**

**With some cream.**

**Then I knew it was just a dream.**
